

Greek Vase Project

For this project you will create a paper vase with a front view and can include a back view if needed. Your vase should clearly depict a Greek myth with at least three images and a border. Additionally you should include a one page retelling of the myth that your vase is portraying. Vases should be mounted on a separate sheet of paper - look at the examples below. See the rubric for scoring guidelines.

Vase shapes:

Grading Rubric:

	A - Wow	B - Good	C - Ok	D - Needs some work
Myth Summary - one page or less retelling of a Greek myth				
Neatness/Creative - the artwork reflects the student's best effort				
Vase - pictures include main characters and main event, border, and clearly in the shape of a Grecian vase				
Oral presentation - student speaks clearly and can retell the myth with ease
