Second Term Project

Overview:
This project is lot more in depth than your others. Your project will have three components: a project board (details to follow), a display, and a two-minute presentation. It will count as 50% of your final exam.

Topics:

The Black Death	The Crusades	The Templars
The Hundred Year's War	Marco Polo	Pilgrimages
Trade in the Middle Ages	Cathedrals	Castles
Mosques	King Richard	St. Louis
St. Francis	the Manor	Medieval Fairs
Mystery Plays	Joan of Arc	Magna Carta

Or you can get a topic approved by me.

Components:
Project Board -
The project board must be able to stand (not just a poster). It must include: a title, 3 pictures (either drawn or from the internet) with captions, a complete explanation of your topic broken into subtopics - think about a five paragraph essay and your subtopics (300 - 500 words), and important dates (timeline).

Display-
You must make something related to your topic. You can build, knit, mold, paint, sew, bake, create... It must be neat and must relate directly to your topic. Creativity counts; please do not buy a kit and just assemble it. You should have some original work involved. Any important features should be labeled clearly.

Presentation-
You will present your project to the class; you will have two minutes. You cannot read from your board. You should have notecards or an outline to help you with your presentation.

Due Date: is the second to last class of the year which is _____

I will provide feedback up to one week before the due date on any rough drafts or ideas. Please do not wait until the last minute.
